

Principal's Welcome

Welcome to Leicester International College UK.

This brochure sets out the extensive range of courses available at Leicester International College UK.

Studying for a professional, vocational or academic qualification offers a unique opportunity to develop a depth of knowledge and specialized skills which will be of benefit for the future.

All our programmes are designed to ensure that they are of high quality and of direct relevance to industry, commerce as well as for the not-for-profit organisation employment.

Our courses seek to meet the academic, professional and vocational development needs of both full-time and part-time students at various stages of their career and underpinned by outstanding support, experienced, qualified and dedicated staff.

Leicester International College UK has the rewarding experience of students who work closely with their tutors. We as a team will do everything possible to encourage lively and informative teaching and learning environment.

We hope that your experience at Leicester International College UK will be challenging, interesting, academically stimulating and fulfilling.

We look forward to welcoming you to Leicester International College UK.

Prof Kingsley Nkem Okoronkwo
Executive Principal
